DRAFT FOR REVIEW, NOT A REPORT

1999 Porsche 911 Carrera

61,400 miles Manual Silver

LIKELY SELLING PRICE RANGE

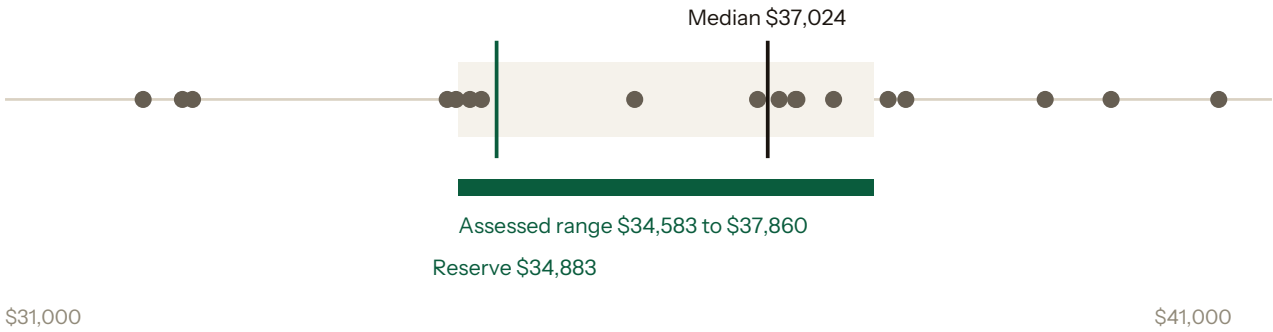

$34,583 to $37,860

RECOMMENDED RESERVE

$34,883

Manual 996 coupes in the record, near the median.

COMPLETED SALES OF THIS CAR

These are the sales of manual coupes.
The typical range is $34,583 to $37,860, median $37,024, from 18 sales.
The reserve sits inside the typical range of $34,583 to $37,860.
The assessment is at the market reference of $37,024.

STRENGTHS

Mileage of 61,400 miles is verified.

IMS work is documented by the service invoices received.

Manual cars sold for about $9,000 more than automatic cars, 18 sales against 6.

Sales under 61,400 miles sold for about $3,000 more than sales over them, 11 sales against 7.

CONSIDERATIONS

Tiptronic cars sold for about $9,000 less than manual ones, 6 sales against 18.

None of the 18 sales say whether IMS work was done, so no effect can be isolated.

The sales do not record the number of owners, so no effect can be isolated.

The sales do not record cosmetic condition apart from the tier, so no effect can be isolated.

CONDITION

No condition is suggested, no signals counted and three are needed.
